WORK EXPERIENCE

Prosperity Capital Advisors | Westlake, Ohio **May 2025 – Present**
IT and Finance Intern

- Architected and built 50+ AI-driven caller workflows on Zoom AI Receptionist with branching logic, live-agent escalation, and voicemail capture, handling overflow client calls when the front desk is unavailable.
- Automated advisor payout processing by building and hosting a Python application on AWS EC2, saving the finance team 10+ hours of manual work per week.
- Processed deposits and other accounting entries in QuickBooks, supported a firm-wide NetSuite transition, and automated the accounts payable file process for the SVP of Finance.
- Built out the NinjaOne RMM ticketing system used firm-wide; performed domain migration, account consolidation, and network troubleshooting.
- Executed firm-wide Claude Enterprise rollout and deployed a self-hosted LLM to offload high-volume tasks and reduce token spend.
- Built Prosperity Pulse, a custom internal wellness app now maintained by a dedicated team.

Jeff Kay Painting and Restoration | Brunswick, Ohio **May 2024 – May 2025**
Lead Painter

- Coordinated workers and trained two new hires to ensure high-quality workmanship
- Communicated with customers and management requests promptly and accurately

Personal Landscaping and Mowing | Parma, Ohio **May 2019 – September 2023**
Owner/Operator

- Marketed through word of mouth, neighborhood fliers and social media
- Scheduled landscaping, mowing and the edging of sidewalks

LEADERSHIP AND VOLUNTEERING

Westside Christian Academy Upper School **September 2023 – August 2024**
Vice President of House Aquinas

- Developed and implemented schoolwide activities such as “Rock The Challenge”, group lunches and weekly games between different house factions for more than 150 highschoolers
- Collaborated with school administration and fellow leaders to plan and execute new traditions and programs

CityView Baptist Church **October 2022 – Present**
Volunteer

- Maintaining relationships with those in the church and serving through food drives and visits
- Livestream, comments, stream quality, slides, and overall technical production

Pleasant Valley Presbyterian Church **May 2016 – August 2022**
Volunteer

- Livestreamed, recorded and troubleshooting technology while integrating new equipment
- Managed landscaping maintenance, physical setup of church, acquired physical assets to maintain and elevate the church environment.
